

PBS CONTINUES AT CAE

Last school year saw success at Cielo Azul Elementary with POSITIVE BEHAVIOR SUPPORT (PBS). For those of you not familiar with PBS, it is a proactive, scientifically-based system that recognizes and rewards students for specific positive behaviors. At Cielo Azul this means SOAR...SAFETY, ON TIME, A+ ATTITUDE, RESPECT/RESPONSIBILITY. Our mantra is “Ravens’ SOAR”! Students are recognized during morning announcements, get to visit the “Ravens’ Nest” for prizes, and receive awards, among other things. Cielo students are enthusiastic about the program and appreciate being recognized for positive behaviors. This contributes to continued positive behaviors. Last school year our campus consistently saw few discipline incidents relative to a total student population of over 700. PBS at Cielo Azul is led by Michael Hecht, a 4th grade teacher with 17 years of experience in public education. The team includes a diverse background of cohesive staff members who guide PBS at Cielo Azul. There has also been consistent support from the full Cielo staff. Our administrators La Vonna Archuleta and Michael Fitzgerald are fully committed to the continued success of PBS. We look forward to SOARing with our Ravens in the coming school year!
